**Academic School/Department: Communications & The Arts** Communications: Advertising & PR **Programme:** Communications: Media Studies Digital Communication and Social Media Film & Photography Film Studies FHEQ Level: 3 Foundations of Media Production: Sonic Media **Course Title: Course Code:** COM 3101 **Total Hours:** 120 Timetabled Hours: 45 **Guided Learning Hours:** 0 Independent Learning Hours: 75

# Credits: 12 UK CATS credits

6 ECTS credits
3 US credits

## **Course Description:**

Radio has been called the first democratic medium, and the internet has enabled a new generation to share their message with a wide audience. This practical course introduces students to key aspects of contemporary audio production through the creation of their own podcasts and sound design for filmmaking. It focuses on the key skills of audio recording and digital audio editing using industry standard hardware and software, while also introducing students to the history of the medium and contemporary examples of professional work.

	eq			

None

# **Aims and Objectives:**

This course seeks to:

- Introduce the key skills of audio production in both recording and editing processes
- Introduce pre-production work such as the writing of scripts and delivery of vocal performances
- Introduce industry standard professional software
- Evaluate the effectiveness of sonic media production methods in conveying meaning
- Develop presentation and pitching techniques.
- Compare and contrast the practices of media production within radio and beyond.

# **Programme Outcomes:**

Communications: Advertising & PR: B3 (i), C3(i) Communications: Media Studies: B3 (i), C3(i)

Digital Communication and Social Media: B3 (i), C3(i)
