Digital Communication and social media

Film Studies

FHEQ Level: 3

Course Title: Foundations of Sociology

Course Code: SCL 3100

Total Hours: 120

Timetabled Hours: 45
Guided Learning Hours: 0
Independent Learning Hours: 75

Credits: 12 UK CATS credits

6 ECTS credits
3 US credits

Course Description:

An introduction to the study of society. Topics include: the origins and nature of sociology and the social sciences; society and culture; social institutions such as family, education, and work; socialization; social stratification, power, and social change; industrialization; and urbanization.

Prerequisites: None

Aims and Objectives:

The course provides an overview of the main theoretical perspectives of sociology and evaluates their relevance in analyzing the emerging global society. The objective of the course is to equip students with the ability to use sociology as a tool to understand the society of today – how it differs from previous social formations and what challenges it is likely to face in the near future.

Programme Outcomes:

American Studies: A3i, B3i, C3i, D3i
