Course Description:

The internship is a work placement within an organization related to the world of sport management and football industries. The internship aims to provide students with a graduate level experiential learning opportunity in which they can develop intellectual, professional and personal skills that will enable them to function well in a culturally diverse working environment in all key job sectors. All internships are supervised by faculty, and all last a minimum of 200 hours in length. Each student will also complete a series of assessments throughout the internship. These assessments have been designed to help the student reflect on the skills they are learning and the benefits gained from the internship experience, and also to help them determine if their current career goals are the correct fit for them.

Pre-requisites:

- All MSc in International Sports Management and Football Industries core courses;

Assessment:

This course conforms to the University Assessment Norms approved at Academic Board and are located at <https://www.richmond.ac.uk/university-policies>.

Teaching Methodology:

‘Experiential Learning involves direct encounter with the phenomena or discipline being studied and the learning is achieved through reflection upon the everyday experiences’ (Houle 1980). The Internship program utilizes these ideas and assists student with the process of self-learning support by a faculty supervisor. Faculty supervision will be in a combination of meetings, correspondence through email, and assessment of written work.
