# US Certificates offered during the 2019-2020 academic year

US certificates\* are designed to permit study abroad and visiting students to structure their period of study at the University more systematically, and to be given an additional transcript notation in recognition of the work successfully completed. The University degree-course students will not normally be permitted to complete certificates, as minors are more appropriate to them (and are not available to study abroad or visiting students).

# **Contents:**

- Certificate in British Studies
- Certificate in Business Management
- Certificate in International Business
- Certificate in Fashion Management and Marketing
- Certificate in Italian Studies

\*US Certificates conferred upon successful completion of the required courses with a GPA of at least 2.0.

## **US Certificate in British Studies**

This US Certificate requires students to successfully complete five courses in British civilization, and is evidence of having completed a systematic and intensive study of British culture. Upon completion of the five courses with a GPA of at least 2.0, the student's transcript will indicate the Certificate has been conferred.
