<b>Student Engagement Hours:</b>	120
Lectures:	30
Seminar / Tutorials:	15
Independent / Guided Learning:	75
<b>Semester:</b>	Fall, Spring, Summer
<b>Credits:</b>	12 UK CATS credits 6 ECTS credits 3 US credits

### **Course Description:**

This course examines the governance of international sport with a focus on regulatory functions and organisational structures. Students will evaluate the role of national and international sports governing bodies and analyse ways in which good governance frameworks are embedded in corporate and non-profit sports organisations. The course also explores the role of stakeholding in sports governance and practices of social responsibility within various international sports settings. Students have opportunity to critically reflect on the strategic organisation of sport in different countries and engage with a variety of contemporary issues and challenges facing international sports organisations.

### **Prerequisites:**

SPT 4100 Introduction to Sports Business

### **Aims and Objectives:**

- The main objectives in this course are to enable students to:
- Develop an understanding of the regulatory functions and structures of international sports governance and explain the theoretical underpinning international sports governance.
- Examine the strategic organisation of sport in different countries.
- Explore the role of national and international sports governing bodies.
- Evaluate a variety of contemporary issues and challenges facing international sports organisations.

## **Programme Outcomes:**

International Sports Management: A1, A2, A4, A6, B2, B5, C1, D2

A detailed list of the programme outcomes are found in the Programme Specification.

This is located at the archive maintained by the Academic Registry and found at:

<https://www.richmond.ac.uk/programme-and-course-specifications/>

## **Learning Outcomes:**

By the end of this course, successful students should be able to:

### Knowledge and Understanding

- Understand a range of theories underpinning international sports governance and explain how these theories apply to international sport organisations.

### Cognitive Skills

- Examine the importance of good sports governance practices within the context of international sport governing bodies.

### Practical and/or Professional Skills

- Explore how social responsibility is a significant feature of sport governance outcomes.

### Key Skills

- Evaluate a variety of sports governance documents to identify issues and challenges encountered by sports organizations within different international sport contexts.

## **Indicative Content:**

- The role of international sports governing bodies
- Regulatory functions and organisational structures of sports governance
- Role and responsibility of the board in sports governance
- Stakeholding in sports governance
- Social responsibility and sports governance
- Good governance frameworks
- Accountability and compliance in sports governance
- Legal and ethical aspects of sport
- Anti-doping and corruption in sport

## **Assessment:**
